STRATEGIC WORKFORCE & BUSINESS SOLUTIONS PARTNER

Vintage Ventures

Right People. Smarter Processes. Measurable Business Outcomes.

Vintage VENTURES

Workforce · Consulting · Operations

THE OPERATING IDEA

Connecting People, Processes & Business Growth

Vintage Ventures connects workforce capability to operating performance, helping organizations build capable teams, optimize processes, scale operations and strengthen HR management.

VALUE CREATION FRAMEWORK

People

Build capable teams.

Process

Improve how work moves.

Business strategy

Align growth priorities.

Execution

Turn intent into results.

People + Process + Business Strategy + Execution = Sustainable Business Value

THE PARTNER MODEL

One Partner. Multiple Business Solutions.

A coordinated capability across talent, consulting, operations and HR.

Workforce & Talent

Domestic and international manpower, talent acquisition, recruitment strategy and background verification.

Business Consulting

Business and management consulting, market entry, expansion and cost optimization.

BPO & Operations

BPO setup and transition, call centre consulting, process optimization and workforce management.

HR & Payroll

Payroll management, HR operations, compliance consulting and employee lifecycle support.

RECRUITMENT DELIVERY

Extending Your Recruitment Capacity Across Borders

Structured recruitment support designed to integrate with an existing talent acquisition function across US & Canada.

01

Client requirement

Role, market and hiring need.

02

Sourcing

Relevant candidate channels.

03

Screening

Experience, skills and fit.

04

Shortlisting

Qualified candidates presented.

05

Interview coordination

Communication and feedback.

06

Verification

Background and documentation.

07

Offer

Offer coordination.

08

Joining

Follow-up through start date.

Full-time non-IT recruitment · corporate and professional hiring · volume or recurring requirements

DELIVERY MODEL

From Requirement to Joining — A Structured Delivery Model

Transparent Process. Defined Ownership. Consistent Communication.

01

Requirement

Understand role, skills, compensation, location and hiring objectives.

02

Sourcing

Identify relevant candidates through structured sourcing channels.

03

Screening

Evaluate experience, skills, communication and role fit.

04

Shortlisting

Present qualified candidates against agreed criteria.

05

Coordination

Manage interviews, candidate communication and feedback.

06

Joining

Support verification, offer coordination and joining follow-up.

MEASUREMENT SYSTEM

From Recruitment Activity to Business Outcomes

Measurement categories connect delivery activity to operating performance without assuming guaranteed improvement.

01 · 02

Faster workforce deployment

Time-to-hire · time-to-join · vacancy closure rate

Better talent quality

Shortlist-to-interview · interview-to-selection · quality-of-hire

03 · 04

Cost efficiency

Cost-per-hire · process cost · workforce cost

Improved productivity

Productivity per FTE · utilization · attendance · performance KPIs

05 · 06

Payroll efficiency

Payroll accuracy · processing TAT · error/query rate

Compliance & risk control

Verification completion · documentation accuracy · audit findings

OPERATING CAPABILITY

Building Efficient, Scalable Operations

Vintage Ventures supports setup, stabilization and optimization across people, workflows and performance signals.

BPO & OPERATIONS

From setup to performance

Setup & transition

Inbound and outbound operations.

Workforce planning

Training, quality and productivity management.

MIS & reporting

Performance signals for operating decisions.

Process optimization

Improvement that can scale with demand.

HR & WORKFORCE

Reliable administration

- Payroll processing
- Attendance and leave management
- Employee data management
- Background verification
- HR administration
- Compliance support

People + workflow + performance reporting

BEYOND RECRUITMENT

Supporting Businesses Beyond Recruitment

We combine strategic thinking with practical execution support across market entry, operations and workforce strategy.

01

Business challenge

Clarify the operating issue.

02

Strategy

Define the path forward.

03

Implementation

Translate direction into action.

04

Performance

Track measurable business signals.

05

Scale

Extend what works.

ADVISORY

Business setup · market entry · expansion · workforce strategy

IMPROVEMENT

Process consulting · vendor management · cost optimization

PLANNING

Resource planning · operational improvement · implementation support

ENGAGEMENT METHODOLOGY

Strategic Thinking. Structured Execution. Measurable Performance.

Vintage Ventures works as an extension of clients' teams, aligning delivery with business objectives and measurable KPIs.

01

Understand

Clarify objectives, context and constraints.

02

Strategize

Design the right operating response.

03

Implement

Move from plan to disciplined delivery.

04

Measure

Track agreed KPIs and reporting signals.

05

Optimize

Refine the model as needs evolve.

ENGAGEMENT DESIGN

Strategic rather than transactional

Flexible and scalable engagement models.

DELIVERY DISCIPLINE

Structured and quality-focused

Defined processes with transparent communication.

PERFORMANCE VIEW

KPI-based performance tracking

Reporting that stays connected to business objectives.

> "We work as an extension of our clients' teams — aligning our delivery with their business objectives and measurable KPIs."

THE NEXT CONVERSATION

Let’s Build Your Next Growth Capability.

Whether you are hiring at scale, expanding into new markets, building a BPO operation, strengthening workforce management, outsourcing business processes or optimizing operational performance.

Vintage Ventures can work as an extension of your team to provide workforce, consulting and operational solutions aligned with business objectives.

Let’s discuss your business requirements, workforce challenges and growth objectives.
